OUTDOOR POOL WEATHER PROTOCOL

We have to close the pool for a minimum of 30 minutes for lightning within 10 miles or unclear water conditions.

Speak with the Aquatics Director about rescheduling/indoor options. We may be able to reschedule for another day/pool or move indoors to the Y (there may be other Party Patrons if during Open Swim). If the weather may or may not close the pool, most people will try to have it outdoors and move indoors if need be. We cannot refund any amount if that is the case. Some choose to reschedule/cancel the party, sometimes changing the total balance. Either way, WE CANNOT REFUND THE SCHEDULING FEE.
